PRESIDENT: State your point, Senator

SENATOR BARNETT: I had some visitors here from Northern Illinois  
University and from Springfield. They are members of the  
Political Science Department and also a member of the Illinois  
Board of Regents and I did want to introduce these people before  
they got away. I think they are standing in the back of the  
room right now. One of them is Dr. Clive Veri, he used to  
live in Lincoln is now at the Northern Illinois University.  
Dr. Anthony Fusaro, Dr. Roderick Groves and Dr. N. Judge King, Jr.  
and I think that these people would like to have at least notice  
that they were here. I told them to come down and they are here.  
And while we are at it I've got two young men that have come  
over from our school which is Robin Mickle, the one that my  
son attends, Ed Kearney and Dave Fosler, and I want these  
people to be recognized before this body.
